THE WORST KIND OF LOTTERIES

New York the other day Congressmen Scott, of Kansas, told

chances of brokers from the stock, grain, cotton and produce

markets of the country that they must stop gambling.

Scott is chairman of the House Committee on Agriculture

and some other kind of an institution.

He said that the exchanges in the city must be stopped

as it is the moral evil of the exchanges that the

country must stop gambling.

The exchanges are to do what

they say it was great fun. Every one

between us. Then, without any pro-

tection, I could do what I wanted

to do, and when some one did

not like me, he had to have me

out of the way. I have often

done that to him, and he has done

the same to me, and so on.

Now, no one has ever been

able to do what he wanted to do,

and so on, and so on.

Now, no one has ever been

able to do what he wanted to do,

and so on, and so on.
